Dear Carmen,

Your participation at the Executive Seminar on 14 January received extremely favorable comments from our newly-appointed Senior Intelligence Officers. They viewed your thoughts and insights as valuable information for them to have in understanding how senior executives operate in the public sector--specifically learning about your problems, constraints, and opportunities and how you go about handling them.

I appreciate very much the time and effort you devoted to this endeavor and hope you will be willing to participate in future runnings of the Seminar.

Sincerely,

Director
